

Resolve to Get Involved WIST 2005

Kirsten Laurin-Kovitz
WIST Program Initiator

Top Ten Reasons to Get Involved

- Network
- Learn more about diversity
- Improve the Lab environment
- Reach out to next generation
- Gain visibility
- Make friends
- Have fun
- Career development
- Develop leadership skills
- To give something back

Top Ten Ways to Get Involved

- Sign up for WISTTalk
- Surf the WIST website
- Attend FFF (First Friday Forum)
- Participate in outreach events
 - Science Careers in Search of Women Conference
 - Introduce a Girl to Engineering Mentoring Day
- Attend speakers/colloquiums
- Take a WIST-sponsored class/workshop
- Volunteer for recruiting events
- Serve on the Steering Committee and/or subcommittees
- Serve as WPI
- Suggest an activity/Organize an event!

New Initiatives for 2005

- Increase participation in professional societies (SWE, AWIS, WEPAN, etc.)
- Co-sponsor new mentoring initiatives including MentorNet
- Network with other ANL groups, organizations (Admin staff, HLC, AABL)
- Sponsor special colloquium speakers
